ADDITIONAL SKILLS

Photography

I have learned photography during my military service, and always loved to create aesthetic photography for social media. Further knowledge on photography I gained while being a part of the media department at "Word of Life" church where I have also learned to work with "lighroom" adobe editing program.

Social Media

Knowledge and experience in social media: Instagram, Facebook, Twitter etc. I understand the social media world and have experience in managing accounts for marketing and business purposes.

The combination of my skills and knowledge of writing, web development and photography make an excellent success for social media marketing.

EDUCATION

· High school diploma "Ziv & Marks" ,Jerusalem.
· Additional high school programs: 5 points English, 5 points Literature and writing, art.
· JavaScript course on Udemy.
